HOW TO BECOME
INVOLVED IN
STATE GOVERNMENT**

THE INDIANA STATE SENATE PAGE PROGRAM

For the upcoming legislative session, we would like to invite you to serve as a page here at the Statehouse in Indianapolis. You must be a middle to high school student.

The one day program begins with orientation at 8:30 a.m. followed by a tour of the Capitol building. Around noon pages will receive one hour for lunch on their own. There are two cafeterias in the government center, as well as a number of restaurants close to the Statehouse.

Following lunch, pages will be escorted to the Senate chamber for the convening of session. While on the Senate

floor, pages may observe the legislative process, such as the introduction of bills and resolutions, listening to debate on important issues that affect your school and your town and watching the voting machine tally votes. You may be asked to run errands, such as delivering papers or messages to other Senators or offices within the Statehouse.

While you are on the Senate floor, the official Senate photographer will take a photo of you and your senator as a keepsake. Pages are dismissed at 4:00 p.m. Serving as a page in the General Assembly is an official excused absence from school, and you will be provided a form at the end of the day to give to your school.

How Do I Apply?

If you are interested in this learning opportunity, please submit your request in a letter and mail to the address below, or send an e-

mail. You must include your name as you would have it appear on a certificate, complete address and home telephone number.

Indiana Senate Page Office
200 West Washington Street
Indianapolis, Indiana 46204-2785

Because of space in the Senate chamber, only a certain number of pages are scheduled for each day, so we encourage you to submit your request by the end of the year for the upcoming session that begins in January. If two friends would like to be serve on the same day, please send the request together. Parents, please keep in mind that pages are not escorted by staff for lunch.

Once the Page Office processes your letter, you will receive a confirmation of your scheduled date. The Senate tries to accommodate requests for specific dates.
